Full time and part time students have equal access to classes. Enrollment is contingent upon space availability. Grades will be assigned by the course instructor and added onto your transcript by the school the class was taken.

The student agrees to follow all the ASD rules and procedures. The student also agrees that he/she must arrive just prior to the class and depart directly after the class unless prior written permission is obtained from the building Principal. Failure to abide by the above conditions may result in the removal from the class.

Please be advised: ASD will not refund money after the first day of class.
